Patricia Whitehouse  
Goudy Technology Academy  
5120 N Winthrop Avenue  
Chicago, Illinois 60640

Dear Patty,

Congratulations! We are very pleased to inform you that your proposals have been accepted into the Artist/Researcher Partners Program 2017-2018.

**Bridging Dreams – Teacher: Patty Whitehouse and Artist: Margy Stover (STEM unit)**  
**Friends of Ten – Teacher: Michelle Casey and Artist: Andrea Slavik (Regular unit)**

Scoring was based on the quality of inquiry questions, implementation of ideas, documentation strategies, innovative and thoughtful practices, evolving a project from year to year, and overall quality of the proposal and accompanying support materials. Additionally, we consider your school's participation at professional development meetings, action research, and exhibition of work.

As the school liaison, please ensure all team members are notified of their acceptance as well as expectations for the program. All teachers and artists are required to complete an on-line process documentation template for each of their projects and attendance at professional development meetings is mandatory. Contracts will be distributed at the first PD.

Dates for professional development workshops:  
PD 1 October 11<sup>th</sup> 4.30-7.30pm (Sullivan Galleries)  
PD 2 November 28<sup>th</sup> 4.30-7.30pm (Sullivan Galleries)  
PD 3 March 14<sup>th</sup> 4.30-7.30pm (Location TBD)  
PD 4 April 24<sup>th</sup> 4.30-7.30pm (Location TBD)  
Install PDs May 14<sup>th</sup> & 15<sup>th</sup> (Tentative Dates for Convergence Install)

Contact Mark Diaz (312.870.6142 or [mdiaz@capeweb.org](mailto:mdiaz@capeweb.org)) with questions. Review comments and scores for each proposal are available upon request. Please keep us informed of new developments in your planning and classroom work.

With regards,

Scott Sikkema  
Education Director
